

# Get A VIKING CREAM SEPARATOR

HERP's the separator that has the world beaten for close-skimming records! Absolutely guaranteed to skim down to a mere trace.

A Viking user said the other day: "We have taken several tests of the milk after it has been separated in our Viking and let stand 24 hours and could not see a trace of cream!"

**Get All the Cream With Less Work**

The Viking is easiest to operate because it is the simplest and most scientifically constructed. It has less working parts. That makes it run easier—without vibration or jar to disturb the natural separation or waste cream.

**Guaranteed For a Lifetime**

—and positively guaranteed to have a larger capacity per hour than other separators of equal rating. Come in and let us demonstrate a Viking to you.

Fell From Auto—Bone Broken.

Henry Wilson, son of Mr. and Mrs. M. A. Wilson, suffered a compound fracture of the collar bone Monday afternoon when he attempted to climb from the front to the rear seat of a car driven by his brother Ben. He was thrown from the car and landed on his right shoulder with such force that the bone was badly broken.

The boys were returning from school in the Ford car used for hauling the children from the southeast to school. Henry was at the wheel when he was taken suddenly ill and asked his brother to drive. While attempting to climb to the rear of the car he fell to the ground.

The injured young man was brought to Dr. Remington's office where Dr. Remington removed the broken pieces of bone and reduced the fracture. He was taken to Greely Wednesday that an X-Ray picture of his shoulder might be taken. —From a Nunn, Colo. paper.

## LEXINGTON MAN GIVES REASONS FOR HIS RELIEF

Johnson Thinks Benefits Gained Justify Glowing Tribute Paid Trutona

Lexington, Ky., Oct. 2.—"Because of relief I've gained I feel that I'm justified in saying that Trutona gave me more benefits than any other medicine I've ever taken," Russell Johnson, 66 years old, a retired furniture dealer and well known Lexington resident of 605 South Limestone street, said recently.

"For many years I've been troubled with constipation," he continued. "I had taken laxatives constantly. I would become so dizzy at times that I could hardly get around. I was nervous and restless at night—so bad I couldn't sleep. Headaches bothered me constantly. The relief I've gained in Trutona has caused me to hope that others will try the new medicine and become convinced as I have. My bowels act with clocklike regularity now; I don't experience the dizzy spells any more and my appetite is much better than before. I'm glad to recommend Trutona."

Mr. Johnson has voiced the opinion of thousands of people who have tried Trutona and found the perfect tonic to be unsurpassed as a reconstructive agency as well as a most successful combatant of stomach liver and bowel troubles, nervousness, sleeplessness, and the like.

Trutona is now being introduced and explained in Marion at J. H. Orme's drug store.

# Camel CIGARETTES

Marion, Ky., Sept. 1, 1919.

Dear Editor:

I agree with you heartily in your condemnation of that old bridge. But I don't think it near such a disgrace to the town as a baseball team that plays on the Sabbath day.

I am a firm believer in all kinds of clean sports for the young, and I like to hear of our boys winning.

But I am sure I voice the sentiments of every Christian man and woman in our county, when I ask the young men to refrain from playing baseball on the Lord's day.

Yours for better morals,

JOE M. DEAN.
